

## SHENANDOAH VALLEY QUILTERS GUILD NEWSLETTER

### President's Message

Happy Fall you all!!!

Welcome to cooler weather, turning leaves, gentle breezes and hopefully some much needed rain. We missed you last month if you could not attend guild.

Plan to attend the October meeting with Gwyn Campbell. There will be a Friday six-hour class with Gwyn. Sign up is good through the week of the class by contacting Barbara Cline.

Thank you to those who stayed for service sewing. Many of you took "Pillows and Totes" kits home to sew. I can't wait to see the pile of finished "P&T's" in October.

We now have a vendor's table available each month for our members. If you are needing to thin out some or your sewing room it is a good way to sell what you impulse bought but didn't need so you can go shopping again. Perhaps sell some items that you have made. Remember Christmas is not that far away. Send Cerise Haas, Ways and Means an email to get on the list; the vendor's table is available every month except the January Auction.

John and I are doing some fall house cleaning and guess what? We found all the things that we were not able to take to the auction last year. We have decided to start a stack in our storage area so we know where to find these items in January. The bins are filling up with old linens, jars of buttons, quilt frames, patterns, books and a few surprises. We wanted to get ahead this year so the holidays didn't get in the way.

Jane Crocket and Doreen Roadcap have volunteered to be the two Board members who will make the minor changes to the by-laws for this year. We need three members at large to work with them. There are simple changes needed to make us current. Please be a part of your guild in helping with this project. It is one that does not require a lot of time to complete. You may call or email me at 540-218-4026 or sshammel419@gmail.com. All of you qualify for this project.

Happiness is a full bobbin!

Sandie Hammel, Guild President

## Secretary Minutes from September 17, 2016 General Meeting

President Sandie Hammel called the September meeting of the Shenandoah Valley Quilters Guild (SVQG) to order at 9:30 a.m. Twenty-nine members and guests were present, including one new member, Barbara Booth. Visitors were given luggage tags as welcome gifts. This year's theme will be "Quilting Around the World".

It was moved, seconded and carried (MSC) that the August SVQG minutes, which were published in the newsletter, be approved.

In the absence of the treasurer, Sandie presented the treasurer's report.

Sandie introduced the board and committee chairpersons. Committee reports included the following:

Doreen Roadcap, President-Elect discussed changes to the guild bulletin board. A calendar of events has been added, and she announced several upcoming events.

Next month's program will include a workshop on Friday, October 14 at Sunnyside featuring a Judy Niemeyer-designed paper-pieced table runner. The instructor, Gwyn Campbell, will also speak at the Saturday guild meeting. There are still places available in the workshop.

In November Liz Adams will teach a workshop making zippered pouches. Guild members are encouraged to invite a daughter, granddaughter or friend to come and take the workshop.

The newsletter deadline is September 23<sup>rd</sup>.

Sandie announced that the board has recommended a dues increase to \$25. Members requesting a mailed newsletter will be charged \$15 for that service. The membership year will change to February 1 to January 31 to be synchronized with the tax-reporting year.

Sue Jones, Sunshine Chair, reported that she sent eight birthday cards and two "thinking of you" blocks to members.

VQM liaison, Josephine Millet, updated the members about the new show, "Things that Go Bump in the Night" at the Virginia Quilt Museum opening Tuesday, September 20<sup>th</sup>. The exhibit features mourning quilts. October 21-22 there will be textile study seminars on "Mourning and Meaning through Cloth". For information, check the museum website. The secondary displays at the museum feature crazy quilts and a display from the Floyd County Quilt Guild.

Josephine asked if the guild would be interested in getting on the calendar to display at the museum, perhaps in Fall, 2018 after the 2018 quilt show. The ribbon-winning quilts would be displayed for two months. The guild board will discuss this.

Nina Jackson asked members to look at the guild website and send her any suggestions or comments.

Kathy Christie reported that she and Lou Emswiler are sharing responsibility for the library, and asked that members take advantage of the library.

### New Business

In order to synchronize the guild's term-of-office and membership dates with the tax fiscal year, it has been proposed that current guild officers be asked to serve 16 months, bringing their terms of office to a close on January 31, 2018. This discussion will be reviewed with the current program chairpersons to ensure that it does not create an unreasonable burden. It will be voted on at the October board meeting.

## Secretary Minutes from September 17, 2016 General Meeting (continued)

The change in membership year and the subsequent changes to the annual meeting and officer election will require amendment of the guild bylaws. A committee will be formed to work on the revisions. Three members-at-large from the guild will be recruited.

A microphone system has been purchased for the guild meetings. This will help the presenters as they move around the room, be useful at the picnic, and help pick up members' comments at general meetings.

The board has drafted an agreement to clarify the raffle quilt partnership process. It is currently under review by an attorney, and once approved, will be posted on the guild bulletin board for member review. The board has approved that a members' vendor table to be set up at general guild meetings. Members who want to sign up for the table can see Cerise Haas, Ways and Means chair. One vendor will be allowed at each meeting, and ten percent of the sales will be paid to the guild. Kathy Christie is the first vendor at today's meeting, and has 108-inch wide quilt backing yardage for sale at \$6/yard.

### Announcements

Sandie reminded members to participate in the Sunnyside Presbyterian Retirement Community Fall Festival next weekend.

A "Trail of Quilts" commemorating the centennial of the national park system will be in Stanardsville, Va. from September 16 through October 30.

Jane Crockett said that The Scrappy Apple in Winchester has organized a Quilters Quest bus tour for November 3-4. There are four seats left, and anyone who is interested should call the shop.

Nina Jackson drew Sue Jones' number as the winner of the "Traveling Basket".

Kathy Christie spoke on the theme "Quilting Around the World". She showed the molas she had collected on a trip to San Blas islands off the coast of Columbia.

A new treasurer is needed since our treasurer is moving to Florida. Also, three quilt show chairpersons are needed for 2018. Sandie passed the sign-up sheets to recruit a new treasurer for the guild and members of the quilt show committee and the bylaws committee.

After Show and Tell, Cerise Haas drew Denise Rudolph's name as the winner of last year's Ph.D. fat quarters. Cerise announced that members can sign up through September to join the Ph.D. program for this year. The winner of the raffle was John Hammel.

Following a break for refreshments, Denise Rudolph, service chair, read several thank you notes received for the guild's contributions of hospice quilts, Samantha dolls and breast pillows and totes. Hospice quilts will be collected again in November. Denise demonstrated the construction of the pillows and totes. Denise introduced the meeting speaker, Donna Berdeaux, R.N., breast health navigator at Augusta Medical Center. Donna spoke about how the pillows and totes are used in patient care, and how much the recipients have appreciated them.

There being no further business, the meeting adjourned at 11:30.

Respectfully submitted,  
Jane Crockett
