September 2009

PRESIDENT'S MESSAGE

I first want to thank everyone for their confidence in me. A special thanks to those who came forward to be on the Board and for those who became committee chairs. I look forward to working with all of you.

We had a wonderful August picnic. There was lots of wonderful food. I think we have the best cooks in the Valley!

I can't wait to see what everyone does with their ugly fabrics. I especially want to thank Sandie & John Hammel, along with Kathy Christy for all their hard work in making our picnic a wonderful success. Just love those bathing beauties.

Our Show and Tell was outstanding. We are so fortunate to have so many talented quilters. The Free Spirits art bee was a nice surprise with their varied blocks of balance and we had a bevy of Scotty dogs for our outgoing President, Pam Nixon. Looking forward to seeing the finished product.

In Sept. we'll have the x-Block workshops, so don't forget to sign up.

Remember, even though we're in the dog days of August, enjoy life and its simple pleasures. Have a glass of cold lemonade and enjoy your favorite book.

See Ya in September,

Your President,
Barbara Linzey

Hello, Guild Members,
I just wanted to thank everyone again for making this past year a good year for the guild. And a big Thank you to everyone, for the so very cute Scottie dogs. I really think they're special and am looking forward to making them into a quilt.

With special regards to all,

PAM

PROGRAMS

A big **THANK YOU** to Sandie Hammel and her committee for the great job they did with the August picnic. The decorations were awesome. And even a popcorn machine! Too wonderful!

Coming up in September we have Patricia Pepe. She is the inventor of the X-block tool and has developed many patterns using this tool. Her Friday workshop is called X-treme X-blocks. You will not be using a pattern in this workshop, but will be exploring design possibilities. You will make something, but the

design is up to you. The Saturday afternoon workshop is on the basics of using the X-block tool. The supply lists are the same for both workshops, but bring lots more fabric on Friday. Patricia's lecture Saturday morning is called "Buried Treasure". The Friday workshop is at Bridgewater Town Hall, Saturday we are at Sunnyside. Remember to bring potluck for both workshops. Friday please get there about 9 so you are set up and ready to work by 9:30. Patricia will have X-block tools for purchase. Your registrations for this workshop go to Sue.

In October Karen Novak is coming. We are lucky to get her on her way home from teaching at Ripley for a week. She teaches using the Eleanor Burns method, something different for us. She does not do a lecture/program, so we have scheduled a 6 hour workshop on Saturday. She will be teaching from Eleanor's new book, "Day and Night". We will be doing a table runner that you should be able to finish in class. You don't have to buy the book, but if you decide to, Karen suggests buying from Amazon for a much better price.

Get your registrations in for these great workshops. We are really trying to keep the cost down on our workshops and I think you'll have to agree that you are getting a lot for your money.

Mary Carlton and Sue McDonald

2010 SVQG QUILT SHOW

Thanks to everyone that has stepped up to the plate to chair a committee for the 2010 SVQG Quilt Show. Only two vacancies remain!! We still need someone to chair the Hospitality Committee and the Voting Ballots Committee.

As our food will be catered next year at the show, the responsibilities for the Hospitality Committee will be minimal. Vendors will be sent a form, they will select their food choice and send payment along with their registration fee. We will just need someone to phone the orders in and to see that water, iced tea and sodas are in supply and kept cold.

The person chairing the Voting Ballots Committee will recruit assistants to help them tabulate the ballots submitted by the public so that ribbons can be awarded accordingly.

If you have not paid for your mailed newsletter or still owe the difference of the increase please provide payment at the next meeting. It would be greatly appreciated.

Secret Pal Exchange

Having a secret Pal is a fun way to remind each other how special we are! This is meant to be fun and a positive recognition of our care for each other. Each person must fill out a form and return it to the chairperson. These forms can be picked up at our next meeting. Participants will exchange thoughtful little item(s) each month at guild meetings.

These items should be wrapped or put into gift bags with the recipient's name. These items should not be over \$5.00. Birthdays and Holidays are special times and an opportunity to do something extra special for your Secret pal. Be Creative!!! Remember: It is the thought that counts!!

All Guild members are encouraged to participate. This is really fun and a supportive activity that results in getting to know another fellow quilter. Join in the fun. The more the merrier!!

The exchange will start in December 2009 and conclude at the November 2010 meeting when your Secret Pal will be revealed!

So pick up your forms at our next meeting and give it to Pam Nixon the coordinator.

Breast Cancer Pillows/Totes

There is a change in how we distribute Pillows/totes in the Augusta/ Staunton/ Waynesboro areas. I gave 8 pillows/totes to the Surgical Dept. at Augusta Health, in July. They will be distributing them as women have surgery. In August, I gave 30 pillows/totes to Meg Schrader, Navigator, Augusta Health, to be distributed to those who will be having surgery in our area. Harrisonburg and Winchester remain the same.

One thing I want to pass along to you is this: When I delivered the pillows/totes to Meg Schrader, (she being a breast cancer survivor), she said she got a wonderful "sunflower" pillow/totes from our guild and it was so deeply appreciated and heavily used, even to this day.....she expressed her deep appreciation to our guild and is focused on giving each surgical patient a breast cancer pillow and tote. So, guild member, what you are doing is so appreciated and used by those who are going through this traumatic time.

As most of you remember, October is Breast Cancer Awareness month. I am issuing you a challenge: Make pillows/totes. For each pillow/tote you make, you will be able to put your name in for a prize--to be drawn at the Oct. guild meeting. You must present your pillow/totes to me, so that I can make sure your name is put in for the drawing. I'll have kits ready in September, or you may use your own fabrics.

SUPPLY LIST FOR X-BLOCK WORKSHOPS

The supply lists for both workshops are the same, but bring lots more fabric on Friday. This workshop will cover a variety of design possibilities using the X-block rotary cutting tool. Try to bring at least 1 medium-large print. Large prints and stripes work well. Some contrast is necessary in your fabrics, but it doesn't have to be strong. To check contrast, place fabrics next to each other and stand 10 feet away. If they blend together, you need higher contrast. If you bring boring fabrics, your quilt will be boring.

X-block rotary cutting tool. (will be available for purchase)
3 or 4 different fabrics, (Saturday), more on Friday approx. 1 yard each
Rotary cutter, mat and ruler
Sewing machine
Colored pencils
Several small zip-lock bags
