February 2010

## PRESIDENT'S MESSAGE

Hello, Quilters,

We survived the Artic Blast and 30" of snow and the warmer weather reminds us that Spring is almost here. What a great time to clean out our stashes and bring all those goodies to our annual February Guild Auction and, of course, take a few things home. Don't forget to invite a friend to come for the fun!

Cindy Oravec's program and workshops were great fun. We learned to think outside the box with our quilting, rouching and a new way to hand quilt. What a great way to start the new year.

We can't forget all the quilters who shared their wonderful creations for Show N Tell. Another great Guild Trunk Show. Thank you.

In December, we handed out a possible amendment change and we now have a committee working on it. We will keep you informed of their progress.

FYI: February is "GO RED for Women", to fight heart disease. The dress is to die for. The cause is to live for. So, wear some RED the month of February and join the cause.

Our March meeting falls on National Quilt Day. MY CHALLENGE TO YOU IS: To make a 12" finished (all cotton) Patriotic Block (red, white & blue), any design you want to use and give to our Service Committee. These will be the start of a new quilt or two for our soldiers at Woodrow Wilson.

Don't forget, we have just three months to go before we submit our entries to our big quilt show. I hope everyone has completed one entry and that all the Fortune Cookie Challenges and Round Robins are completed. You still have time, so get that fabric flying and those machines a buzzing so we can have the best quilt show ever.

THOUGHT: "A person can grow only as much as his horizon allows." John Powell

I hope we can challenge ourselves to learn at least one new quilting technique this year. Happy Valentine's Day!

Barbara

## PROGRAMS

We hope everyone enjoyed Cindy O's program and workshops last week. I learned that hand quilting is definitely not for me. You always learn something in a workshop, don't you? Next month, February, is our auction. We encourage everyone to bring good stuff and be prepared to spend.

In March, we have Linda Halpin. Her lecture on Saturday is "If Quilts Could Talk". On Friday, March 19, she will be teaching her Bog Coat workshop. Leslie Bulken brought her Bog Coats to the January meeting for us to see. Looked interesting, didn't it? That workshop will be at Bridgewater Town Hall. She will only take 15 in the workshop, so get your registration in to reserve your place. The workshop on Saturday afternoon is Celtic Appliqué. I'm looking forward to that one. Whenever I've tried it, it turns out lopsided. If you would like to hostess

Linda, let me know. If you hostess a speaker, the Guild thanks you by letting you take the workshops free.

In April, we have the Singing Quilter from Canada. More on that next month.

Mary and Sue

### **SHENANDOAH VALLEY QUILTERS GUILD GENERAL MEETING – Jan. 16, 2010**

President Barbara Linzey welcomed everyone. Visitors Jane Thomas and Frances Grimsley were introduced. The minutes of the December meeting were read and approved. The treasurer's report included income of \$616.62, expenses of \$332.12 for a balance of \$3,446.93 in the checking account. With the CD of \$6,500.00, the total balance is \$9,946.93.

President Barbara thanked everyone who brought toys and canned goods to the December meeting. Memorial United Methodist Church appreciated the food given for their food pantry and the toys were given to the toy drive. Announcements received included the Mid-Atlantic Quilt Show on February 25-28 at Hampton.

**PROGRAM:** Mary Carlton reported that the Victorian Block workshop yesterday was great. Next month will be the auction. In March, Linda Halpin will be teaching the "Bog Coat." Leslie Bulken talked about how these are made and showed two coats she had made. That will be the Friday workshop. Registration forms and supply lists will be in the Newsletter. The Saturday workshop will be appliqué.

**WAYS AND MEANS:** President Barbara advised everyone to buy tickets for the raffle gift basket to be given today.

**SECRET PAL:** Pam Nixon handed out the Secret Pal gifts that were brought to the meeting. Barbara reminded everyone who signed up for a secret pal that gifts should be brought to most meetings.

**LIBRARY:** Kathy Christy announced that the Guild had 22 new books. She also said that if someone has a book out, to try to return it at the next meeting. She will send reminders for books that are out for an extended period.

**SERVICE PROJECTS/PILLOWS AND TOTES:** Sue Jones thanked everyone for their donations of pillows and totes. Connie Broy brought 20 pillows and totes this month.

**WAYS AND MEANS:** February is auction time. Joan Leffel announced that the auction will take place from 10:00 to 12:00 noon. She suggested "bundling" items so that it would not take so much time to auction individual items.

**QUILT SHOW 2010:** Debbie Lane and Sharon Angle reported on the 2010 Quilt Show. They have established the categories for entries. Advertisements are appearing in the Country Registrar. Connie Broy asked that members return the blocks for the 2010 quilt next month. Denise Rudolph reported on ticket sales. We need to ask stores if they would be willing to let the quilt be hung in their store and sell tickets. We will try to arrange selling tickets at the Farmers Market in Harrisonburg around Easter.

Door prizes were given out to lucky members. The quilt basket being raffled was won by Barbara Paulsen.

Show and tell was fabulous.

Mary Carlton introduced Cindy Oravec who gave the program on dimensional appliqué.

### **MEMBERSHIP**

We now have new nametags at the sign-in table. Each bucket is sorted by alpha-split to make finding your tag easier. After the meeting please return your tag to the appropriate bin.

This will help us to remember names and to identify board and chair members. We will also easily know our visitors. Everyone did a great

job making our new members and visitors feel welcome at the meeting and both classes. I am sure the new tags played a big part.

Thank you, Sandie, for the great idea and making these for us.

## WAYS AND MEANS

Thanks to all who bought raffle tickets...we made \$149 AND thanks to Sandie, John & Kathy for the donation of the prize.

February is AUCTION time. This year we are trying some new techniques. Please present your donation in an attractive way ... some ideas were shown at the meeting. If you didn't see them, just think of your items as something that would attract more bids by the way it is shown. Package like items together and tie with a ribbon, or fill a tote with great notions. We want to make more money this year and hope this will help.

SO ... get busy "fancying up" your donations and plan to be there for some COOL items.

Joan Leffel

## The Farmyard of Life

The story is told of a rat that looked through a crack in the wall to see the farmer and his wife opening a package. What food might it contain? He was aghast to discover that it was a rat trap. Retreating to the farmyard the rat proclaimed

the warning; "There's a rat trap in the house, a rat trap in the house!"

The chicken clucked and scratched, raised her head and said, "Excuse me, Mr. Rat, I can tell this is a grave concern to you, but it is of no consequence to me. I cannot be bothered by it."

The rat turned to the pig and told him, "There's a rat trap in the house, a rat trap in the house!"

"I am so very sorry Mr. Rat," the pig sympathized, "but there is nothing I can do about it but pray. Be assured that you are in my prayers."

The rat turned to the cow. The cow said, "Like wow, Mr. Rat. A rat trap! Oh boy, like that really puts me in grave danger."

So the rat returned to the house to face the farmer's rat trap alone. That very night a sound was heard throughout the house, like the sound of a rat trap catching its prey.

The farmer's wife, who was up late quilting, rushed to see what was caught. Before she could turn the light on, in the darkness she did not see that it was a venomous snake whose tail the trap had caught. The snake bit the farmer's wife. The farmer rushed her to the hospital.

She returned home with a fever. Now everyone knows you treat a fever with fresh chicken soup, so the farmer took his hatchet to the farmyard for the soup's main ingredient. His wife's sickness continued so that friends and neighbors came to sit with her around the clock. To feed them, the farmer butchered the pig.

The farmer's wife did not get well. She died, and so many people came for her funeral that the farmer had the cow slaughtered to provide meat for all of them to eat.

The moral of the story: The next time you hear about something that you don't think will be of any consequence to you --- just maybe the whole farmyard is at risk!

## CELTIC APPLIQUE

Explore the intrigue of narrow bias strips that twist and curl forming an interlocking design, seemingly with no beginning and no end. Reminiscent of Gordian knot configurations found on medieval manuscripts, these patterns are shaped with bias tubes formed with the use of bias press bars. Students will work on an 8" block, shaping curved stems, and learn invisible appliqué stitchery.
